REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 75-107, which are renumbered to claims 1-33, are nonobvious over prior arts. Rejections made under 35 U.S.C. § 112, second paragraph, and § 103 (a) are withdrawn in view of applicants' arguments in appeal brief filed on October 4, 2004.

While Mellul et al. (EP595681A1) generally teach cosmetic water-in-oil compositions comprising the silicone surfactant of the present claims, the reference does not require the specific waxes used in the applicants' invention (polyethylene wax, hydrogenated jojoba oil, and ozokerite wax). The reference, either alone or in combination with the secondary reference, Nicoll et al. (US 5196187), also does not specifically teach or provide motivation to select these specific waxes from the numerous types of waxes disclosed in the references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
